The Stewards, having received a verbal report from the FIA Technical Delegate, summoned and heard the above representative of the competitor, have considered the following matter and determine the following:

### Facts:

The FIA Passport Sticker on the car is missing, which identifies the vehicle.

### Offence:

Breach of article 3.14 of 2019 FIA Cross Country Rally General Prescriptions

### Decision:

To levy a fine of **500 €** to the competitor

To obtain a new sticker from the FIA Technical Delegate after proof of the payment of the fine.

### Reason:

The competitors' representative explains, that the roll bar was newly painted. By doing this the Sticker was not protected. He admits that it is the competitor's responsibility to present the vehicle with the appropriate seals. He explained that he asked FIA already in February about the procedure to obtain a new sticker. He was told it will be decided by the Stewards of the next event where the car will compete.

Having considered the matter and the above mentioned article of the General Prescriptions that states that: "... In addition, the markings linked to the technical passport must not be removed under any circumstances", the Stewards determined that the car presented to scrutineering were in breach of Article 3.14 of 2019 FIA CCR GP.

According article 12.7.3 of the International Sporting Code, the payment of the fines will have to be done online at the following address: <https://fiafines.fia.com>. **Payment must be made within 48 hours.**
